

BRIAN KIPRONO

PAID MEDIA & GROWTH MARKETING SPECIALIST

5+ years building measurable growth through paid media, funnels, CRM automation, email marketing, content and performance analytics.

I help businesses turn advertising spend into a structured acquisition system — from audience research and creative testing to conversion tracking, lead nurturing and reporting.

Core platforms: Google Ads • Meta Ads • GoHighLevel • GA4 • Looker Studio • Power BI • Canva • CapCut • Adobe Premiere Pro

\$10K–\$100K	5+ YEARS	FULL-FUNNEL	ROI FOCUSED
Monthly ad budgets managed	Digital marketing experience	Acquisition → nurture → conversion	Testing, pacing & optimization

WHAT I BRING TO A DIGITAL MARKETING TEAM

01	Paid Media	Google Ads & Meta Ads campaign planning, audience research, budget pacing, creative testing, CPA/ROAS-focused optimization.
02	Growth & Funnels	Full-funnel acquisition strategy, landing-page/funnel thinking, conversion tracking and continuous testing.
03	CRM & Automation	GoHighLevel workflows, lead capture, nurture sequences, follow-up automation and customer journeys.
04	Analytics & Reporting	GA4, Looker Studio and Power BI reporting with KPI monitoring and actionable optimization recommendations.

CAMPAIGN & GROWTH CAPABILITIES

A practical portfolio built around the work documented in my CV — focused on execution, optimization and measurable business outcomes.

GOOGLE ADS • LEAD GENERATION

Plan → build → track → optimize

- Search campaign structuring
- Keyword & audience research
- Conversion tracking
- Budget pacing
- CPA-focused optimization

Best suited for: service businesses, local businesses and high-intent acquisition.

META ADS • DEMAND GENERATION

Creative + audience + funnel

- Audience segmentation
- Creative & hook testing
- Lead/conversion campaigns
- Budget monitoring
- Performance reporting

Best suited for: awareness-to-conversion journeys and scalable lead acquisition.

CRM • LEAD NURTURING

Capture → nurture → follow up

- GoHighLevel workflows
- Opt-in pages
- Email sequences
- Lead follow-up automation
- Customer journey mapping

Best suited for: businesses that need stronger lead response and lifecycle automation.

ANALYTICS • PERFORMANCE

Measure → learn → iterate

- GA4 measurement
- Looker Studio dashboards
- Power BI reporting
- Weekly KPI reviews
- Actionable recommendations

Best suited for: teams that want clearer decisions from campaign data.

SELECTED WORK EXPERIENCE

Farout Nomads Trips & Tours Digital Marketing Manager	Own the full-funnel marketing calendar; publish and optimize social content; manage email newsletters and GoHighLevel automations; monitor weekly KPIs; support Google and Meta Ads reporting and conversion tracking.
Macau Entertainment Digital Marketing Strategist	Led high-budget paid media campaigns with \$10,000–\$100,000 monthly spend; tested creatives, hooks, CTAs and audience segments; monitored pacing; maintained dashboards; supported A/B testing across creatives, landing pages and funnels.

Freelance / Upwork

Paid Media & Growth Marketing Specialist

Manage Google and Meta campaigns for local and service businesses; build CRM workflows; execute email marketing; report in Looker Studio and Power BI; deliver end-to-end growth strategy and continuous optimization.

LET'S BUILD GROWTH

Available for Paid Media, Growth Marketing, Digital Marketing Specialist/Manager and Performance Marketing opportunities.
